MISSION STATEMENT

PCAA is committed to provide encouragement and support for youth and teens through life changing prevention, intervention and assistance programs.

VISION STATEMENT

Transforming "youth at risk" to "youth of promise" providing hope and a second chance. Assisting youth few choose to help, which will make Orange County a better and safer place in which we live, work and worship.

With great programs, reduction of redidivism through community involvement and financial support, we are on the right track, bringing hope to young lives!

FAMILY ASSISANCE FUND:

The Family Assistance fund joins the community in sponsoring and attendance at the annual Youth Luncheon where teens attend to show their achievements to the public at display tables and a guest speaker motivates them to have hope and a future.

- ♥ Filling teen request for basic needs (clothing, food, etc)
- ♥ Gang affiliated tattoo removal so teens can rid themselves of gang ties
- ♥ Providing new sleeping bags for teens who do not have a bed
- ♥ Art projects

"GIVING FROM THE HEART"

- ♥ PCAA'S Christmas "adopt a family program" where corporations or individuals adopt families from five local organizations. This is a highly successful program reaching close to a thousand family members providing clothing and other needs. This program is also used throughout the year for special teen requests. PCAA thanks the OC Corporations and community members for their faithful involvement in this heartfelt program.

"FORE THE KIDS"

EDUCATION/TRADE SCHOOL FUND:

- ♥ This successful yearly golf tournament raises funds for high school and college requests, school clothing, court ordered classes, achievement rewards, sports, tattoo removal and more, so youth can get employment, go to college or enlist in the military, providing them a brighter future.
- ♥ This fund also provides needed assistance for the PAWS (Pups and Wards) Dog & youth rehabilitation program at OC Juvenile Hall.
